Dear Sir/Madam,

GLASGOW CITY COUNCIL PACIFIC QUAY (traffic regulation)(amendment)order

Thank you for your e-mail of 27th May on this topic

I write on behalf of GoBike to voice our support for this proposed restriction on on-street parking on Festival Gate. In our view this action, if approved, will improve the environment in this area for people who are walking and cycling.

Yours sincerely

Tricia Fort
Convenor, GoBike!
