30 November 2015

Dear Sir/Madam,

**The Glasgow City Council (Dowanhill) (20mph speed limit zone) Order 201, Approval and Comment.**

GoBike! supports this Order. We are pleased to see that a residential area with access to schools and shops is to have a 20mph limit introduced for motor vehicles. This will make the area far pleasanter for those people who walk and cycle and will encourage more people to use active travel to improve their health and wellbeing.

However, as per the GoBike! Petition submitted to the Council earlier this year, we would like to see a 20mph speed limit introduced for the majority of streets in Glasgow. An overall approach would be quicker, cheaper and cause less confusion to residents and visitors alike. Thus, while we support this order, we look forward to the majority of the city being treated in the same way.

Yours sincerely,

Convenor, GoBike!
