Dear Sir/Madam,

The Glasgow City Council Kyleakin Road, Traffic Regulation Order, changes to waiting and loading restrictions. Partial Objection.

Thank you for your e-mail of 02 February inviting comment on the proposed changes on Kyleakin Road and adjacent streets.

We support the additional no waiting and no loading restrictions that you propose; these will significantly improve road safety at the junctions affected.

However, we are concerned that you propose to remove waiting and loading restrictions on that section of Kyleakin Road opposite the junction with Kyleakin Terrace. This will reduce sight lines in the area of the junction and make the location more hazardous not only for pedestrians and cyclists but also for motorists. We thus object to that part of the Order.

We will be pleased to remove our objection if it can be demonstrated that removing the restriction does not impede visibility or make the area more hazardous.

Yours sincerely,

Convenor, GoBike!
