Dear Sir/Madam,

THE GLASGOW CITY COUNCIL (ROBERT STREET, ROBERT DRIVE) (TRAFFIC REGULATION) ORDER , Support

Thank you for your e-mail of 30 March.

GoBike! supports this Order. We are pleased to see that you propose to restrict parking and loading on these streets and we particularly applaud your move to remove parking at junctions; this will improve road safety for all road users. Visibility, or the lack of it, at junctions is a significant cause of accidents to pedestrians, cyclists and motorists and we support moves to address this issue.

However, we are concerned that parking at road junctions is a city-wide problem and we ask why this cannot be tackled city-wide, rather than with these separate Traffic Regulation Orders?

Yours sincerely,

Convenor, GoBike!
