Undeposited funds at end of year	<u>£0.00</u>
<b>Balance at end of year</b>	<b>£3,157.10</b>

D Bingham  
Treasurer

I have examined the above accounts for the year ended October 2013  
In my opinion they give a true and fair view of the state of affairs of Go Bike  
Strathclyde Cycle Campaign at 31st October 2013 and the receipts and  
payments for the year then ended.

F Duncanson  
Honorary Auditor

# Convenor's Report

- NEW Go Bike website

**Go Bike! Strathclyde Cycle Campaign**

## Why Go Bike?

Welcome to the Go Bike website! The campaign exists to promote cycling in the Strathclyde area of Scotland, and is active mainly within Glasgow, East Dunbartonshire, and East Renfrewshire.

With the recent gales and floods in England, on top of the floods a few years ago in Scotland, when Paisley, Perth and Inverness were hit, **global warming** seems to be making its impact.

To help counteract this environmental threat, together with that from pollution from the **all-pervasive motor vehicle**, (for instance, the seven mile M74 extension, which is costed at £500 million, and includes very little in the way of cycle provision to compensate from the rise in traffic on connecting roads!!) we would like you to [join Go Bike](#), subscribe to the [Go Bike News email list](#) (see [forum page](#) for explanation) and help us take personal responsibility for effecting a modal shift away from the motor car, and towards cycling, walking and public transport. (See [Glasgow City Council's current road proposals](#), including the M74 extension, East End Rat Run, Yoker Relief Road, Easterhouse Uplink, Northern Ring Road, Gartloch Getaway and Daldowie Diversion.)

## Events

Go Bike holds meetings throughout the year to discuss cycling issues. See [meetings](#) for details. Anyone interested in improving cycling in the Glasgow area is welcome to attend.

Learn about our easy-paced [cycle rides](#) held each month, and what our campaign has achieved so far, by reading the on-line version of our [newsletters](#). There are also [links](#) to other cycling organisations.

## Glasgow Cycle Map

Go Bike, in association with Spokes Maps, has produced the all new Glasgow Cycle Map, launched in September 2007 as part of European Mobility Week.

The map is available in bike shops and book shops.

You may order by post by sending a cheque for £4.95 made payable to 'SPOKES':
