Dear Sir/Madam,

**Kennishead Road (30mph speed limit) (amendment) order**

GoBike is pleased to respond to the current Glasgow City Council consultation on proposals to extend the 30mph speed restriction on a section of Kennishead Road. We very much welcome this move as it will make this length of road far more amenable to anyone who cycles here.

Indeed, we would welcome proposals to make all this road, along to the junction with Barrhead Road, a 30mph zone. This, we feel, would greatly improve the environment for all road users where sighting lines are not particularly good and would improve safety at the junction with Barrhead Road.

Yours sincerely

Tricia Fort  
Convenor, GoBike!
