

Celtic Park and Emirates Arena

(event day emergency routes and parking zone) order 201_

Glasgow City Council proposes to consider the introduction of the above named Traffic Regulation Order in terms of the Road Traffic Regulation Act 1984.

These proposals will introduce:

1. Permanent restrictions, in collaboration with Police Scotland, on identified Emergency Routes and locations where it is deemed unsuitable for vehicles to park.
2. An Event Day Parking Zone in areas around the stadium to discourage supporters from parking their private cars on roads close to the stadium and encourage more sustainable modes of transport. Reducing the number of vehicles on the roads around the stadium will also help general traffic flows, especially bus services which currently suffer significant delays on event days.

The area affected by these proposals is generally bounded by:

3. **Area 1:** Gallowgate and Tollcross Road to the North, Downfield Street, London Road and Celtic Club Sports Ground/Westthorn Recreation Ground to the East, River Clyde to the South and Dalmarnock Road, Dunn Street, Fielden Street and Millerston Street to the West.
4. **Area 2:** Clyde Gateway to the north and west, River Clyde to the west, Strathclyde Street to the south and east, Dalmarnock road to the east and north
5. **Area 3:** Gallowgate to the north, Bain street to the west, London Road, Green Street and Stevenson Street to the south and Abercromby street to the east.

The list of roads affected by these proposals are:
