Dear Sir/Madam,

**THE GLASGOW CITY COUNCIL, (SWINTON AVENUE)
(TRAFFIC REGULATION) ORDER 2018**

Thank you for your e-mail of 27 August 2018 and the opportunity to comment on the proposals for the stopping up of access to Swinton Avenue from Swinton Crescent.

We understand that motor traffic from Swinton Crescent is using Swinton Avenue, north-east of the roundabout, and Rhindhouse Road as a rat-run to access the M8 and other main roads rather than exiting via the southern part of Swinton Avenue.

We strongly support your proposal to prevent this use of Swinton Avenue and to allow cycles to access via the barrier.

Our only concerns are that motor vehicles are prevented from blocking the cycle access and that the access gap(s) are wide enough to take an adult tricycle as well as a standard bicycle.

Yours sincerely

Tricia Fort
