Dear Sir/Madam,

**EAST DUNBARTONSHIRE COUNCIL, PROPOSED: KILLERMONT AVENUE, RANNOCH DRIVE AND WOODVALE AVENUE, BEARSDEN, NO WAITING AND NO LOADING AT ANY TIME RESTRICTIONS**

Thank you for your email of 11 September and the opportunity to comment on the proposals to prevent waiting and loading in this area near the car saleroom and the golf club.

GoBike fully supports the proposals. This is a residential area and it is difficult for people to walk along the footways and cross the road if the area is full of parked vehicles. The vehicles restrict the road width available and this makes cycling hazardous, and this is an area where cycling is relatively popular. In addition air quality is adversely affected if drivers are starting, stopping and manoeuvring into parking places. Removal of the vehicles will improve the local environment.

However, we are concerned to see that sufficient resources are made available to ensure compliance of all parking restrictions and this is no exception. People who choose to walk or cycle are put at risk when vehicles are parked irresponsibly.

Yours sincerely
