## Project Look Ahead

- Piling will commence at the Adam Smith Business School & Postgraduate Hub project on the 7<sup>th</sup> June for approximately 7 weeks. We will continue to monitor noise and vibration throughout.
- Envelope works are ongoing to the Clarice Pears building with façade and window installation, ahead of internal works commencing next month.
- Pedestrian access through University Place East to University Avenue remains closed with a diversion through in operation through the Biomedical Building footpath.
- We will move to the next phase of the University Avenue upgrade works in June, located opposite the Wellington Church. The existing traffic management system will be replicated at this location.
- The Advanced Research Centre roof finishes are ongoing with core cladding, soil installation and scaffolding for fitting the PV panels. Internal works continue with commissioning works commencing and furniture installation ongoing.
